**NATIONAL LEVEL
FACULTY DEVELOPMENT PROGRAMME**

(7th - 11th November, 2022)

Organized by

WOMEN'S ENGINEERING COLLEGE
(A Government of Puducherry Institution)

Affiliated to
Puducherry Technological University
&
Pondicherry University

Lawspet, Puducherry – 605008

About the Institute:

The Women's Engineering College is one of the emerging and premier institutions started in the year 2022 exclusively for women. This institution is under the control of Directorate of Higher and Technical Education (PIPMATE), Government of Puducherry and offers four B.Tech courses in Engineering viz Electronics & Communication Engineering, Electrical and Electronics Engineering, Computer Science and Engineering and Architectural Assistantship affiliated to Puducherry Technological University, Puducherry and B.Com. Course affiliated to Pondicherry University, Puducherry. This institution is equipped with a state-of-the-art infrastructure with excellent Laboratories, Workshop, Library, class room and play ground. Our college is one of the remote centre for IIT Bombay, Amirta Virtual Lab etc.,

This Institution has signed MoU with reputed and leading industries & pioneer institutions for the benefit of students community.

About the FDP:

This Programme is initiated by our College, approved by Directorate of Higher and Technical Education Puducherry and funded by RUSA-Puducherry. This programme would support to upskill various Pedagogical needs with the guidance of Eminent Resource Persons from various prestigious institutions in India through hybrid mode. This programme also intends to provide an insight to Learning Management System around the virtual lab.

Expected Outcomes:

- ❖ To present the curriculum in a way that is relevant to student needs
- ❖ To channelize the cognitive skills of teaching in the classroom
- ❖ To improve the learning environment by improving the teaching and learning styles.
- ❖ To face the demands of higher education in alignment with NEP 2020.
- ❖ To adhere to ethical principles in order to protect the dignity, rights and directions paving the way to research.
- ❖ Exposure to Virtual lab and myViewBoard.

Who can attend?

Faculty from discipline of Engineering & Technology and Arts & Science are eligible to attend this programme.
